6 BY-LAWS

6.1
2026-03-041

RESOLUTION FORMALLY STATING THE COUNCIL'S INTENTION TO ADOPT A DRAFT BY-LAW AMENDING THE URBAN PLAN

WHEREAS, through the adoption of Resolution 2025-03-046, the municipal council initiated the process to amend its Planning program as well as to revise the urban planning by-laws applicable within its territory.

WHEREAS the comprehensive review of the urban plan has been underway since March 2025 and is part of a structured and progressive planning process aimed at updating the municipal land-use planning orientations;

WHEREAS this process has included workshops with a committee specially formed for the review, reflection workshops with the municipal council, the distribution of an online questionnaire for residents, as well as a working session with various local stakeholders;

WHEREAS, under section 111 of the Act Respecting Land Use Planning and Development (chapter A-19.1), a municipality may impose interim control when it adopts a draft by-law amending or revising its urban plan, or when it adopts a resolution expressing its intention to do so in the near future;

IT IS **MOVED** BY: Councillor Robert Emblem

SECONDED BY: Councillor Daniel Leduc

AND RESOLVED unanimously by Councillors (6):

INTERIM CONTROL RESOLUTION RELATED TO THE REVIEW OF THE URBAN PLAN AND PLANNING BY-LAWS – MINIMUM LOT SIZE IN ZONE VI-16

WHEREAS the Municipality of the Township of Gore is currently reviewing its urban planning by-laws which are applicable throughout the territory and include the urban plan, the zoning and subdivision by-laws, as well as the associated specification grids, among others (Resolution 2025-03-046);

WHEREAS the comprehensive review of the urban plan has been underway since March 2025 and is part of a structured and progressive planning process aimed at updating the municipal land-use planning orientations;

WHEREAS this process has included workshops with a committee specially formed for the review, reflection workshops with the municipal council, the distribution of an online questionnaire for residents, as well as a working session with various local stakeholders;

WHEREAS the preservation and enhancement of the landscape, the safeguarding of the forest cover, and the preservation of the territory's rural character constitute key elements of the orientations established through this process;

WHEREAS determining appropriate minimum lot sizes in zones where development projects may be authorized is an important tool for reducing impacts on the landscape, limiting the fragmentation of the forest cover, and ensuring consistency with the planning orientations currently being developed;

WHEREAS concerns have been raised regarding lot sizes in Zone VI-16, particularly with respect to the protection of natural environments, including forests, lakes, and wetlands, as well as the preservation of the rural character of the territory;

WHEREAS the Municipality's future urban plan aims to regulate residential and recreational development in a sustainable manner, in accordance with the territory's carrying capacity and the rural character of the Township of Gore, while ensuring the protection and enhancement of landscapes, heritage, sensitive natural environments, and their ecological functions, in order to promote harmonious, coherent, and environmentally responsible land use;

WHEREAS, under section 111 of the Act Respecting Land Use Planning and Development (chapter A-19.1), a municipality may impose interim control when it adopts a draft by-law amending or revising its urban plan, or when it adopts a resolution expressing its intention to do so in the near future;

WHEREAS the Municipality wishes to regulate the minimum lot size in Zone VI-16 pending the coming into force of its new planning by-laws.

IT IS **MOVED** BY: Councillor Anik Korosec

SECONDED BY: Councillor Anselmo Marandola

AND RESOLVED unanimously by Councillors (6):

TO ADOPT the present interim control resolution in accordance with section 112 of the Act Respecting Land Use Planning and Development;

TO PROHIBIT, in Zone VI-16 of Zoning By-law No. 214, any cadastral operation or lot subdivision that would result in the creation of a lot with an area of less than 10,000 m²;

This prohibition does not apply to:

- 1) Requests for cadastral operations and lot subdivisions made through alienation for the purposes of:
 - a) Agriculture on cultivated lands;
 - b) The installation of a water supply or sewer service in an existing public street by the municipality, executed pursuant to an order issued under the Environment Quality Act (chapter Q-2);
 - c) The installation of an electricity, gas, telecommunications, or cable distribution network;
 - d) A forest management activity or a wildlife management activity on lands belonging to the State;

- 2) Requests for cadastral operations required by a declaration of co-ownership made under article 1038 of the Civil Code or by the alienation of part of a building requiring the partition of the land on which it is located.

POSTPONEMENT OF FORESTRY ACTIVITIES IN THE LAURENTIDES PROTECTED AREA PROJECTS

WHEREAS the RCM des Laurentides, together with SNAP Québec and Éco-Corridors Laurentides, has proposed an open letter addressed to the Ministry of Natural Resources and Forests (MRNF) as well as to the Ministry of the Environment, the Fight Against Climate Change, Wildlife and Parks (MELCCFP), requesting the postponement of forestry activities within the proposed protected area projects currently under review in the Laurentian region.

WHEREAS this initiative also seeks to obtain a joint MELCCFP–MRNF meeting with a delegation of elected officials from the Laurentians, to discuss issues related to conservation, sustainable forest management, and regional coherence.

WHEREAS the RCMs and municipalities of the Laurentian region are invited to join this initiative to form a regional united front, in a context where issues of biodiversity, climate resilience, and natural area protection require increased collaboration among municipal and supramunicipal authorities.

WHEREAS the Municipality of the Township of Gore recognizes the importance for municipal elected officials to actively participate in decisions related to sustainable land use planning and the preservation of significant natural environments.

WHEREAS the Municipality considers that a temporary moratorium on forest harvesting in the targeted sectors, while the government completes its analysis of their potential designation as protected areas, constitutes a responsible, prudent, and coherent measure aligned with sustainable management principles.

IT IS **MOVED** BY: Councillor Robert Emblem

SECONDED BY: Councillor Sakina Khan

AND **RESOLVED** unanimously by Councillors (6):

TO OFFICIALLY SUPPORT the initiative undertaken by the RCM des Laurentides requesting the postponement of forestry activities in the proposed protected areas under study.

TO SUPPORT THE REQUEST for a joint meeting between the MELCCFP and the MRNF with a delegation of elected officials from the Laurentians, in order to discuss issues related to protected areas and land management.

TO FORWARD this resolution to the local municipalities of the territory so that they may, if they wish, join this regional initiative.

TO FORWARD this resolution to the RCM Thérèse-De Blainville, the RCM des Laurentides, the relevant ministries, the Office of the Premier, the Council of Prefects and Elected Officials of the Laurentian Region (CPERL), the Fédération Québécoise des Municipalités (FQM), the Union des Municipalités du Québec (UMQ), and the Association des directeurs généraux des RCM du Québec (ADGRMQ).
