QUESTION PERIODS

ARTICLE 19

Council meetings include two periods during which the public can ask the Council questions.

- a. The first question period is held at the beginning of the meeting soon after the adoption of the agenda
- b. The second question period is held right before the adjournment of the meeting.

During a special Council meeting, there is only one question period which is held right before the adjournment of the meeting and in which only questions pertaining to the agenda are permitted.

ARTICLE 20

Each question period lasts a maximum of thirty (30) minutes and may come to a premature end if there are no more questions from the public.

ARTICLE 21

Any member of the public wishing to ask a question must:

- a. Identify themselves at the beginning of the question period;
- b. Wait until he/she is called upon to ask a question;
- c. Address the Chairperson;
- d. State who his/her question is intended for;
- e. Ask only one question and one follow-up question on the same topic. However, if time remains, a person can ask a second question once everyone who identified themselves at the beginning of the question period has had a chance to present their question, and this, until the time awarded for the question period has expired.
- f. Speak in polite terms and not use derogatory or slanderous language.

ARTICLE 22

A person asking a question must act civilly, behave respectfully and use appropriate language. It may not use offensive language or make vexatious or defamatory statements.

The question asked must respect the following:

- a. be brief and clear.
- b. may be preceded by a short preamble if necessary for the purpose of understanding the question posed or to place it in context.
- c. not be based on any assumption.
- d. contain no personal allusions, innuendos, violent, hurtful or disrespectful words towards anyone.

RÈGLEMENTS DE LA BY-LAWS OF THE **Municipalité du Canton de Gore**

- e. not be formulated in an interrogative form when it is not a real question.
- f. be posed in such a way that the answer requires or constitutes a professional opinion or personal appreciation.
- g. be public in nature and concerning the affairs of the municipality, as opposed to being of private interest. Any question relating to a personal event or the personal act of an employee of the Municipality or a member of the council, will be out of order and automatically rejected

ARTICLE 23

Each speaker has a maximum of five minutes to ask a question and a sub-question, after which the chair of the meeting may end the intervention.

ARTICLE 24

When a person speaks without a question, the Chair may interrupt said person and ask them to formulate their question.

The Chair may also refuse a question or interrupt and withdraw the right to speak of any person who contravenes these Rules or who asks a question that is frivolous, vexatious or likely to bring the use of Question Period into disrepute.

ARTICLE 25

The Chair, if desired, may answer the question or ask a councilor to answer. A councilor may also ask the chair to answer the question or ask to complete the answer. The chair or member of the council to whom the question was addressed may either answer the question immediately, respond to it at a subsequent meeting, answer it in writing, or refuse to answer it.

ARTICLE 26

Any member of the public present at a council meeting who wishes to address a member of council may do so only during question period and in accordance with the rules set out in articles 21, 22 and 23.

ARTICLE 27

Only the subject of the question is recorded in the deliberation book.

WRITTEN PETITIONS OR REQUESTS

ARTICLE 28

Petitions presented at the council meeting must bear on the back the name of the applicant and the subject of the request. Only the back will be read.

ARTICLE 29

Written requests addressed to the council or to one of the members shall not be placed on the agenda or read at the meeting, except in cases provided for by law.

PROCEDURES FOR PRESENTING REQUESTS, RESOLUTIONS AND BY-LAWS

ARTICLE 30

A Council member cannot take the floor unless he is given permission to do so by the Chairperson, and this after having signaled his wish to speak by raising his/her hand. The Chairperson may give the floor to Council members and does so in the order of their requests.

ARTICLE 31

Resolutions and by-laws are presented by the Chair or a councilor, who explains the project to the council. At the request of the Chair, the meeting's secretary may also be called upon to explain a draft resolution or a draft by-law.

Once the project is presented, the Chairperson must make sure that all the Councillors wishing to speak on the matter are given the opportunity to do so.

Once the draft resolution or by-law is presented and all of the Councillors wishing to speak on the matter have been given the opportunity to do so, a Councillor may present a motion to amend the project.

ARTICLE 32

When a motion to amend is presented by a Council member, the Council must first vote on the amendment presented. When the amendment is carried the Council then votes on the original project as amended. When the amendment is rejected, the Council votes on the original project. The voting rules that apply to the original project also apply to the vote on an amendment.

ARTICLE 33

Councillors may at any time during the debate, request that the initial resolution or amendment be read and the Chairperson, or at the request of the Chairperson, the meeting's secretary is then required to read it.

ARTICLE 34

The Chairperson can, at any time, request a municipal officer to present an opinion, an observation or a suggestion that he/she deems appropriate to the debate.

VOTING

ARTICLE 35

Following the reading of the draft resolutions, a member of the council is deemed to have cast an affirmative vote unless he or she has expressed otherwise, in which case this constitutes a negative vote.

When the vote is requested, the vote is cast by a show of hands and recorded in the minutes.

**RÈGLEMENTS DE LA
BY-LAWS OF THE** **Municipalité du Canton de Gore**

ARTICLE 36

In the absence of a debate or when the debate is closed, if no call for the vote is requested, the proposal is considered adopted unanimously.

When a proposal is adopted unanimously, the meeting Chair is presumed to have voted unless he or she expressly states that he or she abstains from voting.

ARTICLE 37

Except for the Chairperson, every member of Council must vote or risk being fined in accordance with the law unless the member of Council has a direct or indirect interest in the question at hand and is thus exempt from voting as per the *Act on elections and referendums in municipalities*(L.R.Q.,c. E-2.2).

ARTICLE 38

All decisions are made by a majority of the members in attendance, except when the law requires an absolute majority.

ARTICLE 39

When the votes are equally distributed, the decision rendered is negative (denied), unless the Chairperson exercises his or her right to vote.

ARTICLE 40

The rationale behind each of the Council member's votes is not recorded nor registered in the minutes of the meeting.

AJOURNEMENT

ARTICLE 41

Any regular or special meeting may be adjourned by Council to another time on the same day or at a later date without having to give notice to absent members.

No new business may be submitted or considered after the adjournment of a special meeting, unless all the Council members are present at the time and accept to do so.

ARTICLE 42

Two Council members may, for want of a quorum, adjourn a meeting to a later date, sixty (60) minutes after becoming aware of the lack of a quorum.

A special notice of this adjournment must be given by the Clerk-Treasurer to the Council members who were away during the adjournment.

The confirmation of this notice is noted, upon resumption of the adjourned meeting, in the same way as that of a notice convening a special meeting.

BY-LAWS OF THE** **Municipalité du Canton de Gore**

PENALTY

ARTICLE 43

Any person acting in violation of articles 10, 11, 17, 18, 21 e., 21 f. 1st paragraph of article 22 and item d) of the second paragraph of article 22 of this by-law is guilty of an offence and is liable to a fine of no less than two hundred dollars (\$ 200) for a first offence and four hundred dollars (\$ 400) for a second offence. The said fine may, under no circumstance, be greater than one thousand dollars (\$ 1 000). The inherent costs for each offence are over and above the fine.

Failure to pay a fine within the prescribed time allowance allotted by the Court exposes the offender to additional sanctions as provided for in the Municipal Code of Quebec (C-25.1).

INTERPRETIVE AND FINAL PROVISIONS

ARTICLE 44

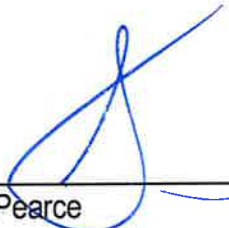

No provision of the present by-law should be interpreted as restricting the powers that are granted by law to the members of Council.

ARTICLE 45

The present by-law repeals and replaces by-law 235 entitled "*Règlement sur la régie interne des séances du conseil de la municipalité du Canton de Gore*" and all its amendments.

ARTICLE 46

The present by-law comes into effect according to the law.
